

## **WORKERS COMP**

Thank you for your interest in the Statewide Work Comp Market.

We must ask that you complete the Work Comp section of the ACORD application and submit it by fax or email to Dan Braude or Dave Raney.

We will review it and get back to you with a quote as soon as possible.

Please note that our market is best for those businesses that have at least 3 years work comp experience supported by loss runs.

New ventures or volatile classes of business are more likely to be turned down for a quote. We recommend the State Comp Fund for those risks that don't fit our company's qualifications.

Thank you for your business!
